

# Automated Builder's 6<sup>th</sup> Semi-Annual Engineered Home Builder Directory

**VENTURA, CA**—*Automated Builder* publishes this list of home producers as a free service to the engineered housing industry. You also can view this list online at our website: [www.automatedbuilder.com](http://www.automatedbuilder.com).

Manufacturers are first listed according to the state in which their main plant is located. Roman numerals indicate the type of structure each manufacturer produces (see legend).

Company contact information is listed second in alphabetical order. Nearly all manufacturers serve a geographic area of several states or more. If you have trouble finding a specific type of manufacturer in your state, consider searching under listings of a nearby state. — *AB*
